Mr. Cowperthwaite,

The New Mexico Department of Public Safety recently received your written request regarding your request for "1. All reports, whether incident, supplemental or investigative, and investigative files generated by both the missing persons report on Darlene Moya, the subsequent search for her and her being found dead.

Please find enclosed the requested documents. Redactions on these documents were made due to the fact that it is information provided by the National Crime Information Center (NCIC), a computerized index of documented criminal justice information housed by the Criminal Justice Information Services (CJIS), a division of the Federal Bureau of Investigation (FBI). The information indexed in NCIC is for law enforcement purposes only. This is in accordance with Title 28, Code of Federal Regulations:

*"Data in NCIC files are exchanged with and for the official use of criminal justice officials of local, state, and federal governments in the United States and its possessions and in Canada".*

If we can be of further assistance, please feel free to contact the Records Bureau at (505) 827-9192.

Sincerely,

Regina Chacon  
Records Custodian  
Department of Public Safety

This is a formal request under the New Mexico Inspection of Public Records Act. I wish to inspect the following in electronic format if possible:

1. All reports, whether incident, supplemental or investigative, and investigative files generated by both the missing persons report on Darlene Moya, the subsequent search for her and her being found dead.

The following is the information provided to me by SP PIO Elizabeth Armijo when I asked about it. I include her text so the search for these documents may be aided.

"I was able to gather the following information regarding this SAR mission. Any further details will be available in the incident report.

The SAR mission regarding missing Darlene Moya was initiated when her family contacted State Police on September 11, 2015. The SAR began near CR94 in the Chimayo area. Darlene Moya had been missing since September 9, 2015. She went missing while fishing with her family at a river in the area. Ms. Moya had medical issues which family believed to be a concern.

On September 11, 2015, Darlene Moya was located deceased in a river off of Rio Arriba County 94."

I prefer to receive further communication on this matter electronically, as it has been sent to you, the custodian. I further formally request that a copy of all further communication is, at minimum, is transmitted electronically, as it is required by the IPRA, as a responsibility of the custodian, as stated in the IPRA law, as a responsibility

of the custodian "(to) respond to requests in the same medium, electronic or paper, in which the request was made in addition to any other medium that the custodian deems appropriate."

I prefer to receive records electronically, and would be happy to provide a computer disk (CD) or USB drive for copying.

If records can be e-mailed, please forward them to [cowperthwaite@gmail.com](mailto:cowperthwaite@gmail.com).

Please contact me with any questions or to schedule an appointment when the documents are available for inspection or copying. My telephone numbers are 505-753-2126 (office) and 775-453-4162 (cell), and my fax number is 505-753-2140.

Sincerely,

STATE OF NEW MEXICO INCIDENT REPORT				ORI NO.	MNNSP0700	INCIDENT	2015-18348	PRIMARY	Y	PAGE	3	OF	4
<p>NARRATIVE</p> <p>On Thursday September 10, 2015 at approximately 1934 hours, I Officer Ernest Garcia of the New Mexico State Police in full uniform and in a marked unit was dispatched to Camino Canada Ancha in Chiricahua, New Mexico in reference to a possible missing person.</p> <p>I arrived at the scene and made contact with the missing person's daughter, Eleanor Nevarez, she advised me she last spoke to her mother, Darleen Moya, on September 9, 2015 at about 1847 hours. She told her Harold Montoya was there and he wanted to go fishing. She told Mrs. Nevarez she didn't want to go, but was going to spend time with Mr. Quintana because he was diagnosed with cancer. Mrs. Nevarez advised me that was the last time she talked to her mother.</p> <p>Mrs. Narvaez explained to me Mr. Quintana was her mother's friend. They were in a relationship about 5 or 6 years ago.</p> <p>On September 10, 2015 Mrs. Nevarez advised me she called her mother all day and did not get an answer from her. She tried calling Mr. Quintana, and he also would not answer. She became concerned because her mother calls her several times a day. After she got off work, at about 1530 hours, she went to her mother's apartment at the Santa Clara Apartments in Espanola. When she arrived she went into the apartment, and her mother was not there. She talked to a neighbor and was told her mother hadn't been there all day. She called her mother's friend David Quintana because she remembered her mother had a doctor's appointment, and he was going to take her. He told Mrs. Nevarez he went to the apartment, and he waited for her and she never came out.</p> <p>Mrs. Nevarez finally received a call back from Mr. Quintana, he told her they went fishing to Canada Ancha, and her mother disappeared for about 1 hour. He went to Deanna Martinez residence to ask her if she seen Mrs. Moya. Mrs. Martinez went back to where they were fishing and began to yell and look for her. She came out of the bushes, and they talked to her for awhile, and he left her there with Mrs. Martinez.</p> <p>Mrs. Nevarez advised me she finally ended up talking to Mrs. Martinez, and she told her Mrs. Moya left with Mr. Quintana, and she hadn't seen her since last night.</p> <p>I was advised by New Mexico State Police Dispatch that Santa Fe County received a call at about 0018 hours of a woman yelling for help. The deputies arrived at the scene and were unable to locate anyone.</p> <p>Mrs. Moya will be entered as a missing person. Any additional information including witness statements will be entered in a supplemental report.</p> <p>This is the end of my report.</p>

NARRATIVE

On Friday, September 11, 2015, at approximately 1831 hours, I, Officer Brandon J. Trujillo, of the New Mexico State Police Uniform Division, was on duty, in full uniform, clearly displaying my badge of office #354, in fully marked patrol unit #705. I was dispatched to County Road 94 in the town of Chimayo, County of Rio Arriba and State of New Mexico.

I arrived on scene at approximately 1857 hours. I met with a Search and Rescue Coordinator named Bryan Williams. Bryan stated Darlene Moya was found in the river. I asked Bryan who found Darlene and he pointed to a group of people. The group was related to Darlene and was identified as Michael Trujillo, Nick Nevarez, Eleanor Nevarez, Kayla Padilla and Ronnie Padilla. Michael made the phone call to Santa Fe Regional Dispatch informing them they found Darlene and she was deceased. Prior to my arrival Bryan asked NMSP Espanola Dispatch at 1842 hours to get a hold of the Office of Medical Investigations and request them to come to the scene.

I spoke with everyone who was on scene that found Darlene. I obtained written statements from everyone who found Darlene. Eleanor provided a white plastic bag with Darlene's belongings in them. Eleanor stated these articles were discovered at another location. I took the bag and placed it in the back of my unit.

Michael stated at approximately 1830 hours he came to Chimayo with Kayla to look for Darlene. Michael said they arrived at the search and rescue camp and found nothing. Michael walked down to the river by the post office. Michael kept walking down the road when he found Darlene in the river. Michael said he came back to the road and waited for the paramedics to arrive.

Kayla stated her and her family decided to come down to the Barela's to follow the river flow. Kayla said Darlene was found lying in the water. Kayla said they found a sock hanging on a tree near the river. Kayla stated Michael found Darlene in the water.

Ronnie stated he thought his ex-wife Darlene could be down the river from where her clothes were originally found. Ronnie said when they came close to the area where she was found he waited back with his daughters while Michael and Nick went down into the river. Ronnie said he kept his distance but could visibly see that it was Darlene in her underwear. Ronnie said everyone started calling the police.

Eleanor stated she was raised in the area and her and her family knows how the river works. Eleanor said they know of the areas where the river gets cut off with weeds and brushes. Eleanor said they were driving when a man and a woman who were on the side of the road of State Road 76 stopped them. Eleanor said the man told them, "Last night a woman was found in the river." Eleanor told me her dad Ronnie knows the area very well. Eleanor and her family drove down, exited their vehicles, and Michael and Nick crossed the river. Michael and Nick told them to stay back. Eleanor said everyone panicked and crossed over close enough to identify her mom Darlene. Eleanor stated everyone started trying to get service on their cell phones to call for help. Eleanor said Darlene was in her underwear when they found her.

Crime scene tape was set up around the area and the family was asked to stay back while we waited for New Mexico State Police Investigators and the Office of Medical Examiner to arrive. Lieutenant Travis Skinner of the New Mexico State Police arrived on scene at approximately 1900 hours. Lieutenant Skinner went where the body was to start taking photographs. At approximately 1934 hours Captain Robert Thornton of the New Mexico State

Police arrived on scene and proceeded to assist Lieutenant Skinner. At approximately 1936 hours Sergeant Chris Valdez of the New Mexico State Police Criminal Investigations Department arrived on scene. At approximately 1945 hours the Office of Medical Examiner arrived on scene. The examiner was identified as Larrissa Gurule (OMI). At approximately 1950 hours Lieutenant Skinner and Captain Thornton left the scene to obtain some lighting equipment from the New Mexico State Police Espanola office. At approximately 2014 hours Criminal Agent Jesse Whiticker arrived on scene.

I advised Agent Whiticker of the plastic bag that stored Darlene's belongings. Agent Whiticker advised me to remove it from my trunk so he could photograph them and place them in brown paper bags. At approximately 2036 hours Lieutenant Skinner and Captain Thornton arrived back on scene with lighting equipment. Agent Whiticker, Sergeant Valdez, Lieutenant Skinner, Captain Thornton and O.M.I Larrisa Gurule went down to the body to begin the investigation.

Larrisa Gurule informed me the time of death was 2017 hours for Darlene Moya. I spoke with Eleanor asking her which funeral home she wanted to pick up her mother. Eleanor stated Devargas Funeral Home. I informed NMSP dispatch to please contact the funeral home and to send them to our location. The Devargas Funeral Home arrived at approximately 2224 hours. The funeral home picked up Darlene and left the scene at approximately 2244 hours. Darlene would be transported to Albuquerque for an autopsy that would take place the next morning. All police units and family members left the scene at approximately 2257 hours.

This case is closed; if any other information becomes available pertaining to this case I will submit it through a supplemental report.

<b>SYNOPSIS</b> The following report is to document my involvement in case #15-224240. Please refer to my narrative for full details of my report.						
<b>NARRATIVE</b> On Tuesday, September 22, 2015 at 1213 hours I contacted the Office of Medical Investigations (OMI) located in Albuquerque, New Mexico. I spoke with an Administrative Assistant named Mary Salazar-Tafoya. I informed Mary of who I was and I asked her how I could go about obtaining the official cause of death for Darlene Moya. Mary asked for the name of the deceased and the day it took place. Mary informed me the official cause of death was ACCIDENTAL and it was from DROWNING.  I asked Mary how I would obtain the official autopsy report, Mary transfered me to the Records Department where I left a voicemail and I anticipate a return phone call.  This case is closed; if any other information becomes available I will submit it through a supplemental report.

## NARRATIVE

On September 11, 2015 at approximately 7:15 p.m. I was contacted by New Mexico State Police Investigation's Bureau Sergeant Chris Valdez requesting that I come on duty and proceed to Chimayo, New Mexico and begin an investigation into the death of Darlene Moya who was located deceased in the Santa Cruz River. I was aware of a Search and Rescue that had been conducted in the search of her when she was reported missing the day prior. I contacted NMSP Dispatch and advised that I was on duty and enroute. I was provided directions on how to locate where the patrol officers where.

Upon arrival to the scene, the Santa Cruz River at the end of Rio Arriba County Road 94 located within the Community of Chimayo, County of Rio Arriba and the State of New Mexico, I met NMSP Patrol Officer Brandon Trujillo who was initially assigned to the scene. Officer Trujillo advised me that he was in possession of clothing that allegedly belonged to Darlene and had been located the earlier approximately 1.5 miles upriver and was collected by NMSP Officer Ernesto Garcia. I made contact with Sgt. Valdez who was on scene and I was then shown where Darlene was located. I observed her laying face up in the water wearing a red lanyard around her neck, black sports bra and shorts with a fanny pack around her waist.

Darlene's head was closest to the north shore with her feet near the south shore. There did not appear to be a lot of water in the Santa Cruz River though areas where over a foot deep. Darlene was rested against some logs that were laying across the river which prevented her body from being pushed further downstream. I began to photograph the area around Darlene as well as her.

Upon completion of photographing the area I made contact with Officer Trujillo and photographed the clothing he was in possession of that was allegedly Darlene's. There was also a back pack identified as Darlene's that was located. This backpack had more clothing, personal items as well as a bottle of Importers Vodka. Once I completed the photographs of the clothing and other miscellaneous items they were returned to Officer Trujillo.

Office of Medical Investigator Larissa Gurule was contacted to the scene. She ruled Darlene Moya's time of death to be 8:17 p.m. September 11, 2015 upon her arrival to the scene. OMI Gurule and I entered the river and after several more pictures, brought Darlene to the south bank of the river. I observed cuts and bruises across Darlene but did not see any significant injuries to her. Some of the injuries to Darlene that I noticed were scratches to both of her legs, a scrape to her left thigh as well as to her right shoulder/arm, a cut in her right ear, large cut to her right inner thigh, large bruising to her left elbow and forearm, bruising to her forearm and miscellaneous cuts/scratches across her body.

OMI Gurule advised Darlene's forehead was soft and potentially fractured. The injuries on Darlene appeared to me that they were consistent with someone being washed down a river. When the fanny pack around Darlene's waist was opened I observed a pack of cigarettes, a makeup container, a round segregated pill container, broken pen, folding pocket knife and a key chain in the shape of a shoe. In a pocket of the shorts was located a single dollar bill.

After OMI Gurule completed her inspection of Darlene, Darlene was placed into a body bag, secured and picked up by Devargus Funeral Home. I was advised that an autopsy would be conducted the following morning at 8:30 a.m. in Albuquerque, NM. I was also advised that a family member notified officers on scene about a sock hanging on a tree

in the area. They thought the sock could be one of Darlene's but also stated that it may not be. Since Darlene's clothing was located upriver from that point it was unlikely that one of her socks would end up down river and hung on a tree out of the river. The sock was not collected.

While on scene I learned from Sgt. Valdez that earlier that day the river was flowing much higher and faster since the Santa Cruz Dam had released a large amount of water into the river. I was also advised that the search and rescue team did not walk into this area since Darlene was reported missing much further up river and they concentrated in the area she went missing in attempting to locate her. Agents have knowledge of Darlene as being a narcotics user and her family confirmed that they believe she was using again at the time she went missing.

On September 12, 2015 I proceeded to Albuquerque, NM to observe the Autopsy on Darlene Moya. The Autopsy began at approximately 9:20 a.m. by Dr. Lauren Dvorscak and Tech Rebecca Tarin. The OMI case number is 4623. The procedure began by Tech Tarin photographing Darlene. After Dr. Dvorscak concluded the autopsy she advised me that Darlene had a broken back and damage to her spinal cord. Dr. Dvorscak advised the cuts/bruises and scrapes along Darlene's body appeared to be consistent with injuries likely seen on someone who was floating down a river and hitting braches, trees, rocks and other objects in the water. I was advised that although Darlene's skull was soft in the area of her forehead, she had no brain damage also showing it was likely caused by her striking an object while floating down the river. It was also explained to me that there was a substantial amount of sand and water found in Darlene's stomach which is indicative of her drowning. According to Dr. Dvorscak, Darlene's death appeared to be more than likely the cause of accidental drowning and thus it was ruled as such.

Since Darlene's death was ruled as accidental the case was turned back over to NMSP Patrol. I was contacted by Darlene's daughter, Eleanor Nevarez asking us to look into Harold Quintana and Deanna Martinez, both of which were with Darlene when she went missing. Miss Nevarez believes that the death of her mother was prematurely ruled as accidental and believes that it is possible Harold Quintana, Deanna Martinez or both had something to do with Darlene's death. Several attempts have been made to locate and conduct follow up interviews with them but they have not been located. I was advised that they were interviewed by NMSP Officer Ernesto Garcia once already reference this case.

All photographs that were taken will be attached to this report as well as the NMSP Patrol Officers' reports.

This concludes my involvement on this investigation. If further information becomes available to me it will be documented in a supplemental report.
